

NEW TO NASHVILLE GUIDE

VANDERBILT HOUSESTAFF ALLIANCE

WELCOME

Whether you are visiting and learning about the Vanderbilt University Medical Center community or are already planning a relocation to the “Athens of the South,” we’re confident that you’ll soon be happy to call Nashville and Vanderbilt your new home. The Vanderbilt community is warm and friendly with multiple avenues of support available to you. If you are relocating to be part of the Vanderbilt Medical Center house staff, one of these supports is Vanderbilt Housestaff Alliance (“VHA”).

VHA is a nonprofit social and philanthropic organization. Membership is open to the spouses and significant others of the Vanderbilt house staff and alumni. Our mission is a simple one: to promote friendship among members, foster a supportive environment, and serve the Nashville community. We provide numerous opportunities to meet and socialize with other resident families -- forging friendships and offering support during a particularly difficult time of medical training. We also do various service projects throughout the year and have numerous groups for our members to join. We hope you’ll inquire further about VHA and ultimately join our organization!

One of VHA service projects is to generate this guide to life in Nashville, the “Newcomer’s Guide.” Our members update this guide annually, and many of us have continued to draw upon it throughout our stay here in Nashville. It contains information you will need for relocating (including information on real estate agents who sponsor the VHA) as well as information about fun things to do. You’ll quickly discover what many of us already have – that Nashville is a great city and community and a wonderful place to call home.

Take a look at the map below for some of the most popular neighborhoods for resident and fellow families. Each neighborhood has its own qualities, housing style, access to greenspace, etc., so feel free to reach out to our Board if you have any questions about areas you're thinking about!

VHA EVENTS & GROUPS

The VHA creates community for resident and fellow families through intentional programming put on in conjunction with area professionals who sponsor events (check them out on the following pages). Some of our recurring events and groups are listed below, but if there is a way that you would like to build community and get involved, please reach out and let us know!

Date Nights

From Top Golf to Cocktail Tastings to dinners, VHA date nights offer an opportunity for resident/fellows and their spouses to connect with other VHA families and enjoy an evening out!

Kids Club

VHA hosts many family-friendly events, including Trunk-or-Treat, Zoo trips, Santa Brunch, playdates, and more!

Book Club

Book Club meets 5 times per medical year to discuss new and popular literature, and is always taking new members. You can come to one, a few, or all of our meetings each year!

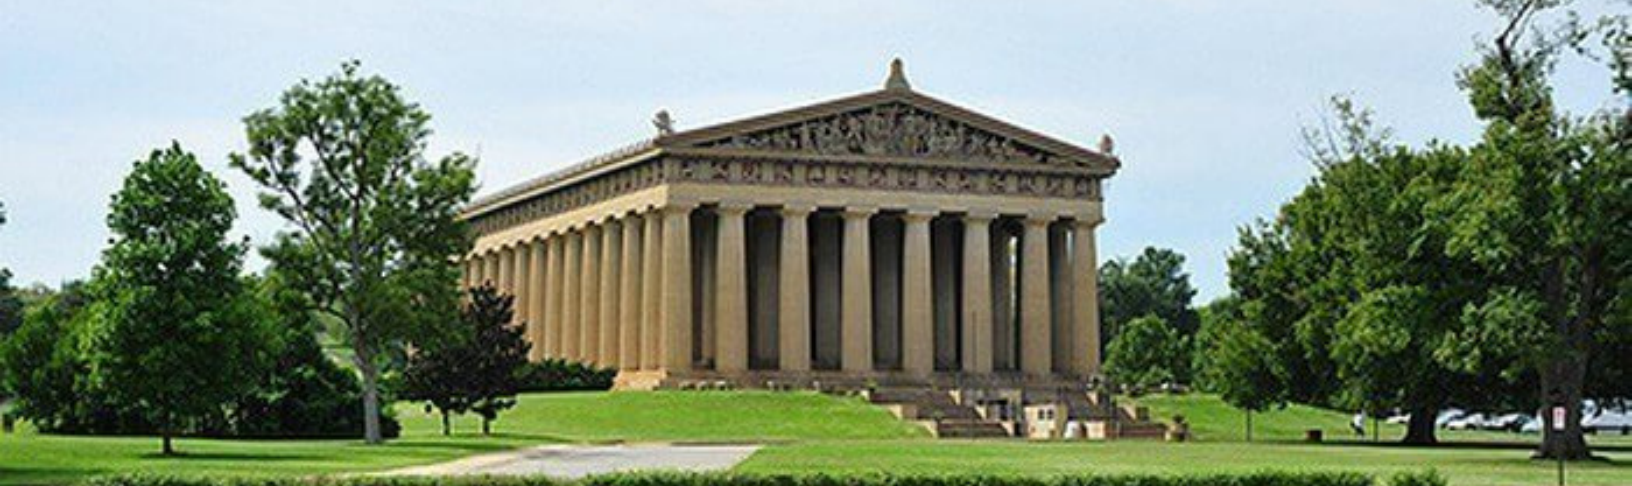

Meal Pick-Ups

Sometimes it's nice to just not cook. VHA sponsors allow us to take a night off from the kitchen by sponsoring meal pick-ups throughout the year.

Vanderbilt Women's Club

In partnership with the Vanderbilt Women's Club, VHA is able to attend community service projects, brunch events, and more. Many Women's Club members are physicians or spouses of physicians, so understand training and are a wonderful resource for the VHA.

All VHA members are welcome to attend any and all events throughout the year. VHA membership dues are \$50 annually, with registration at vhalliance.org. If membership presents a hardship for your family we have assistance available - reach out to our Board!

VHA hosts monthly events, clubs, and groups for resident spouses and families to be a part of, and in addition to the community within VHA we partner with key professionals around town in different industries so that VHA members have a list of resources to turn to. The realtors, advisors, accountants, and mortgage brokers on the next pages are partners and sponsors of VHA, and are all adept at working with physician families during training. MICHELLE HSU, REALTOR

As a spouse of a physician whom I got married to while he was still in medical school, I am intimately aware of the struggles that physician families face as they move around, necessitating the need to find housing and build a reliable support group. By capitalizing on my own experience having bought three homes with a physician mortgage as well as my specialization as a Certified Doctor Relocation Specialist and preferred realtor for Vanderbilt School of Medicine at Drmoves.com and Physicianloans.com in the Greater Nashville area, I endeavor to inject valuable insights into every process.

AMANDA BARON, REALTOR

Hi there, I am so glad to meet you. Selling or finding a home can be exciting and a somewhat stressful journey for you and your family. I am prepared to guide you every step of the way.

I am a Realtor® who is 'married to medicine' and know what it's like to be the new neighbor in town. In 2006, our family relocated from Texas to Tennessee with my husband, the physician, who took a position at The Vanderbilt Children's Hospital. Even though I loved Nashville, adjusting to our brand-new life was not easy and took time! I have become the person I hoped to meet when we moved here. Again, I say, "Nice to meet you!"
Your neighbor, Amanda Baron.
